I leave the memories of being the only two upper classmen in an all else Freshman, Chemistry Class; to Beth a big "Thanks" for EVERY-THING and memories of trying to set me up (maybe some day); to Maggie and Nancy all the gnarly times in high school (you guys are great); to Brian, Eric, and Tara as much fun in high school as I've had; to Julie the memories of our friendship, (work in beanfields and at Jerry's, our long tear jerking talks and softball and Pepsi floats); to Dave, alias Bill, my friendship even though he likes to deny it; to Cindy B. all the great times in cheerleading; to Shanna my sight reading talents; to Ronelle and Denise my vocal cords; to Mr. Schrader your favorite "brown noser" says "thanks and good luck;" to Paula fond memories of being called "Squirrelbait;" to everyone in the Dow City-Arion Community School, keep a song in your heart and a smile on your face and thanks for making my Senior year the Best; to Jim K. our long, undecided talks and lastly, but most important of them all, THANKS, MOM, Love

Ya!!!!

I, David Wright, being of sound mind and athletic body, do will the following: To Tom A., my ability to design half of the U.S. Air Force and still fully understand what Mr. Faltinson says during Chem.; to Kathy, my ability to laugh at people for no reason and my "mean" streak; to Doug, an interception and the ability to choose a college major; to Nancy, my Advanced Math eyes; to Jim H., a Bulldog football helmet and a Quiet Riot; to Julie R., a good argument; to Rich, a road without bridges; to Mr. Schrader, a head coaching job, a state football championship, and a baby boy; to Jim B. and Troy G. the name of "Bob" to add to their names; to Margaret and Beth, a statistician job they do themselves and to Margaret only an "I'm sorry" for saying "hi!" sarcastically; to Ronker, my 20¢ Bic and my speed, so he will be able to score a TD; to Lappe, a new car since he needs it; to Scott Blankman, his own Pac-Man game and my ability to score 24 points in a BB game; and to Dad and Mom I leave thanks for all the love and support you gave me through my school years.

THE DOW CITY-DUNLAP BULLDOGS

The combining of Dunlap and Dow City for football turned out to be good as the team went on to capture second place in the Boyer Valley Conference. This is the first year that we have had a problem of enough guys to play eleven man football. So the school board had to decide on whether to play eight man, just J.V. or combine with another town. After a lot of discussion, it was decided that the best decision was to become the Dunlap-Dow City Bulldogs.

Jerry Neilsen, Tom Hast, and Danny Wood are finishing the Ar-We-Va Rocket mascot emblem which will be hung in the gym.

Have you noticed the new clocks in the locker rooms and the display boards in the hall outside the gym? These were purchased by the Student Council with money raised in the 1982-1983 school year.

This year the Student Council worked on replacing the Boyer Valley Conference teams mascot emblems in the gym. The art classes drew the emblems. The shop classes cut them out of plywood, and many students painted them.

The new juice machine in the student lounge was bought by the Student Council.

DCA SCHOOL BOARD

Phyllis TenEyck — Secretary, Dave Heistand — President, Sandra Culver, Larry Steffes, Emmett Ahart, and Tom Houston.

Kathy Ahart, Mary Truitt, Rich Thomsen, and Julie Robinson presented emblems of the Boyer Valley Teams to be displayed in the gym to the School Board.

We thank our school board members for the many hours they each spend in meetings, researching information, and listening to many people in our school district.

The school board is involved in making school policies, final decisions on money allocations and acts as a sounding board for the administration and community.

OUR SUPER STAFF

What fantastic drivers to drive through snow, sleet, rain, and, yes, sometimes good weather! Bruce Thompson, Plato Gorden, Vince Argotsinger, Gene Harre, and Bob Custer.

Even with cleaning muddy tracks, keeping the furnace going, shoveling walks, cutting grass, and just keeping everything smooth running, they still have a smile and a little time for chatter. Middle left — Linda Samuelson. Middle right — Alan Garrett. Lower Right — Hoot Brink.

Lower left, opposite page: What delicious rolls, homemade bread, huge cookies, and fantastic pizza these gals, Peggy Beam, Kay Jetter, and Adline Ettleman make on a shoe string budget! Absent: Kate Steinkuhler and Doris Cross. Far right: You've got to be kidding! Are you really going to try to explain your latest fashions as being a part of Homecoming Week? Betty Shader, Adeline Ettleman, Peggy Beam, Kate Steinkuehler, and Kay Jetter.

Upper left: Oh, those daily bulletins and no lounge lists — Betty Shader. Upper middle: She keeps us all healthy or at least she tries — Joan North. Upper right: Jeanette Kuhlman helps out wherever there's a need in library or choir. Middle left: What a job she does keeping records, sending messages and keeping all our money straight — Nellie Brasel. Middle right: We are nominating her bookkeeper of the year because she does such a fantastic job with the school and the school board books — Phyllis TenEyck.

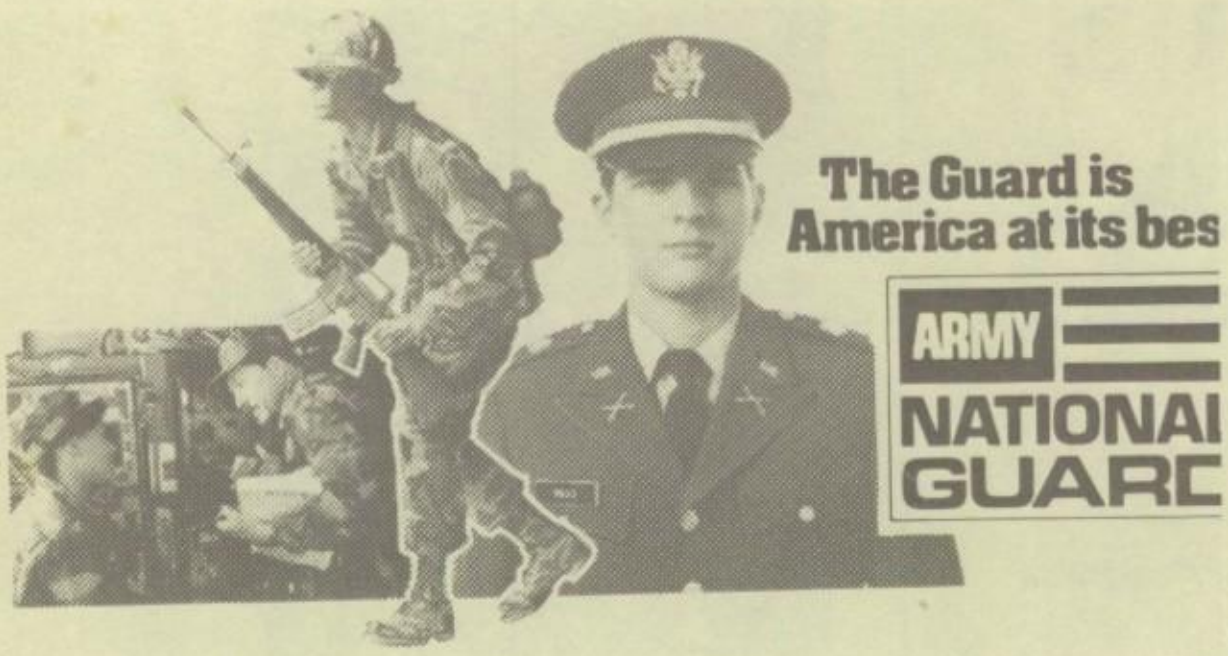
Six reasons why high school seniors should graduate to Guarding.



You can give your seniors a good start into the future by steering them to the Army National Guard.

The Guard offers, in addition to long-term benefits, six immediate values: a paycheck every month; tuition assistance; training in leadership and technical skills which can contribute to civilian careers; part-time service compatible with other job or school requirements; a close-to-home location; and the satisfaction of being "on guard" to help in any local or national emergency.
